My personal message:

Hello friends and family!

I'm taking part in the 2010 Miami Marathon (26.2 miles) to raise money for Team World Vision.

World Vision works to tackle the root causes of poverty by working with children, families, and their communities to provide things like clean water, health care, nutritious food, education, and economic opportunities.

You can support my efforts through Team World Vision by making a one-time tax-deductible donation.

This fund goes to the [Haiti Earthquake Relief](#) efforts of World Vision.

Thank you for all your support!

Sincerely,
 Prabu
